To Whom It May Concern:

This serves as a letter of Reference for HYDRO MOBILE.  
HYDRO MOBILE provided us with three mast climber lifts on a job we recently did  
On the LSU football stadium.

HYDRO MOBILE demonstrated early in the job that they were here to help us do the  
quickly and safely.

Once the lifts were on site they (HYDRO) were on the job training our people in how  
To properly construct, operate, dismantle, and move the equipment.

The lifts were an invaluable addition to our work schedule. We cut our labor time by  
50%-75% on installation.

I highly recommend using this company and their machines. The equipment is great.  
The service was very prompt.

Sincerely,

Kenneth Kahn  
Project Superintendent
