Dear Gabe:

We have been a Hydro Mobile dealer for five years and I thought its time to give written feed back. Ref: Hydro Mobile and Power Pro relationships and performance.

Gabe, you are always ready, willing and capable of being what you need to be, managing dealer to dealer, dealer to manufacture, user to dealer relationships.

With a superior product, and competent help, we have established Hydro Mobile as the product of choice for many customers in our APR (area primary responsibility) giving us a spring board into new customers, via referrals. Thanks for what you do!

Sincerely
Power Pro Equipment
